

PES COLLEGE OF ENGINEERING, MANDYA

(An Autonomous Institution Affiliated to VTU, Belagavi)

K V Shankaragowda Rd, PES College Campus, Mandya, Karnataka – 571 401

CANTEEN FACILITY

DEPARTMENTAL HANDBOOK

"Nourishing Minds, Fuelling Excellence"

Established: 1962 | Handbook Edition: 2025–26

1. ABOUT THE INSTITUTION

P.E.S. College of Engineering, Mandya (PESCE) was founded in 1962 by People's Education Society (PES)®, Mandya, under the dynamic leadership of Late Sri K. V. Shankara Gowda. It is permanently affiliated to Visvesvaraya Technological University (VTU), Belagavi, and attained Autonomous status in 2008–09 granted by the UGC. The institution is recognised by AICTE, New Delhi, and holds accreditation from NBA and NAAC with an A Grade. PESCE functions under the Grant-in-Aid code of the Government of Karnataka and has been a beneficiary of TEQIP grants. With over 3,500 students, the campus is equipped with comprehensive student amenities including hostels, a canteen, transportation, and sports facilities.

2. CANTEEN – OVERVIEW

The PESCE Canteen is a dedicated food facility housed in a separate, purpose-built building within the college campus. It has been serving students, faculty, and staff since the college's inception in 1962, continuously upgrading its infrastructure and food standards to meet the growing needs of the campus community.

The canteen is fully furnished and can accommodate up to 250 students at a time, making it one of the largest student dining facilities among engineering colleges in the Mandya region. It operates under a self-service scheme, ensuring efficient and hygienic service to all users.

3. INFRASTRUCTURE AND PHYSICAL FACILITIES

3.1 Building and Layout

- **Location:** Separate, independent building within the college campus
- **Seating Capacity:** Up to 250 students simultaneously
- **Gender-Separated Wings:** Dedicated separate dining wings for boys and girls
- **Service Model:** Self-service scheme for efficient and orderly dining
- **Furnishing:** Fully furnished dining hall with adequate seating and tables

3.2 Kitchen Facilities

The kitchen is well-equipped with modern cooking infrastructure to ensure quality, speed, and hygiene in food preparation.

- **Cooking System:** Modern gas-based cooking systems for efficient and clean food preparation
- **Water Supply:** Purified water used exclusively throughout cooking and cleaning operations
- **Cooking Staff:** Well-experienced and trained cooks managing food preparation
- **Equipment:** Latest kitchen equipment and utensils maintained to food-safety standards

4. FOOD OFFERINGS AND MENU

4.1 Cuisine Varieties

The canteen caters to a diverse student population and therefore offers a wide range of food options covering multiple regional cuisines:

- South Indian Foods – idli, dosa, vada, upma, rice-based meals, sambar, rasam, chutneys, and more
- North Indian Foods – roti, sabzi, dal, rice, paneer dishes, and related accompaniments
- Baked Food Products – bread, buns, rusks, pastries, and other baked goods to cater to diverse preferences
- Snacks and Light Refreshments – tea, coffee, juices, and other non-carbonated beverages

4.2 Pricing Policy

All food items served in the canteen are offered at reasonable and affordable rates, keeping in mind the financial constraints of students. The canteen is a non-profit, student-welfare oriented facility managed under institutional oversight.

4.3 Restricted Items

In line with the institution's commitment to student health and wellness, certain items are strictly not permitted within the canteen or anywhere on the college campus:

- Soft drinks such as Coca-Cola, Pepsi, and similar carbonated beverages are not allowed in the college canteen
- Smoking is strictly prohibited in the canteen and throughout the entire college campus — PESCE is a declared Smoke-Free Campus
- Alcohol and any intoxicating substances are prohibited

5. HYGIENE AND FOOD SAFETY

The canteen places the highest priority on food hygiene and safety. All food items are prepared and served under strict hygienic conditions in compliance with national food safety standards.

5.1 FSSAI Compliance

The canteen holds a valid licence issued by the Food Safety and Standards Authority of India (FSSAI), the apex regulatory body governing food safety in India. This certification affirms that the canteen meets all prescribed standards of hygiene, food quality, and safe food handling practices.

FSSAI Licence Period: 2024 – 2026 (Valid and Current)
--

5.2 Hygiene Practices

- All food is prepared using purified water to eliminate waterborne contamination
- Experienced cooks follow safe food-handling and preparation protocols
- Kitchen equipment and utensils are regularly cleaned and sanitised
- Dining area, tables, and floors are cleaned and maintained throughout operating hours
- Waste management and disposal follow institutional environmental guidelines
- Food items are stored appropriately to prevent spoilage and contamination
- Regular inspection by the canteen management and college administration is conducted

6. CANTEEN OPERATIONS AND MANAGEMENT

6.1 Operating Model

The canteen operates under a contractual / tender-based model whereby a licensed vendor (tenderer) manages day-to-day operations under the supervision and guidelines set by the college administration. The vendor is responsible for maintaining food quality, hygiene, pricing, and staffing.

6.2 Service Scheme

- **Service Type:** Self-service — students collect food from the counter and seat themselves
- **Baked Products:** The tenderer also stocks and sells baked food products to supplement the standard menu
- **Supervision:** The college administration periodically reviews canteen operations, pricing, and hygiene standards
- **Feedback Mechanism:** Students may report concerns regarding food quality or hygiene to the college administration

6.3 Canteen Timings

The canteen is operational on all working days of the college, including during examination periods. Timings are aligned with college schedules to serve breakfast, lunch, and evening snacks to students and staff.

Meal / Service	Approximate Timing
Breakfast / Morning Snacks	Before Classes Begin (approx. 8:00 AM onwards)
Lunch	During Lunch Break (approx. 12:30 PM – 1:30 PM)
Evening Snacks / Tea	During / After Afternoon Sessions (approx. 4:00 PM onwards)

Note: Exact timings may vary as per the academic schedule and college calendar. Students are advised to check the notice board for any changes.

7. HEALTH, WELLNESS, AND CAMPUS POLICIES

7.1 Smoke-Free Campus

PESCE is a declared Smoke-Free Campus. Smoking of any kind — cigarettes, bidis, e-cigarettes, or any tobacco products — is strictly prohibited not only inside the canteen but throughout the entire college campus, including classrooms, corridors, hostels, sports grounds, and all other areas.

7.2 No Carbonated Soft Drinks Policy

As a preventive health measure, carbonated soft drinks such as Coca-Cola, Pepsi, and similar products are not permitted inside the college canteen. This policy promotes healthier dietary choices among students and is in line with the institution's commitment to student health and well-being.

7.3 General Campus Wellness Approach

- Canteen food is prepared hygienically using purified water and fresh ingredients
- Affordable pricing ensures all students have access to nutritious meals
- Separate wings for boys and girls promote a comfortable and safe dining environment
- The institution periodically reviews the menu and prices to ensure fairness and nutritional adequacy

8. RULES AND ETIQUETTE FOR CANTEEN USERS

- **Orderly Queuing:** Students must form orderly queues at the service counter and avoid crowding or pushing.
- **Self-Service Discipline:** Users must collect their own food and clear their trays / utensils after use.
- **Cleanliness:** Students must not litter; food waste should be disposed of in designated bins only.
- **No Smoking:** Smoking is strictly prohibited inside the canteen and on the entire campus.
- **No Soft Drinks:** Carbonated beverages from outside are not permitted inside the canteen premises.
- **Respectful Behaviour:** Students must be respectful to canteen staff and fellow users at all times.
- **ID / College Card:** Students may be required to display their college ID card upon request.
- **Outside Food:** Bringing outside food for commercial resale or distribution is not permitted.
- **Property Care:** Damage to canteen furniture, equipment, or utensils is a punishable offence and will attract the cost of repair/replacement.
- **Emergency Complaints:** Any complaint regarding food quality or hygiene must be reported immediately to the canteen manager or college administration.

9. OTHER CAMPUS FACILITIES

The PESCE campus is designed to be a fully self-sufficient environment for students. In addition to the canteen, the following facilities are available on campus:

- **Library & Information Center:** A state-of-the-art central library with 69,946+ volumes, digital library, and 24-hour e-resource access
- **Hostels:** Separate hostel facilities for boys and girls within the campus

- **Bank & ATM:** Banking and ATM services conveniently available on campus
- **Dispensary:** Medical dispensary for first aid and routine health consultations
- **Cooperative Society:** Campus cooperative store providing stationery, essentials, and daily-use items
- **Sports Facilities:** Dedicated sports grounds and equipment for various indoor and outdoor games
- **Secure Campus:** Round-the-clock CCTV surveillance and security personnel
- **Guest House:** Guest accommodation facility for visiting faculty and dignitaries
- **Transportation:** College bus services connecting the campus to key locations in Mandya district

10. CONTACT INFORMATION

Institution Contact

- **College:** PES College of Engineering, Mandya
