1. About P.E.S. College of Engineering, Mandya

P.E.S. College of Engineering (PESCE), Mandya was established in 1962 by People's Education Society (PES), Mandya. It is one of the premier engineering institutions in Karnataka, affiliated to Visvesvaraya Technological University (VTU), Belagavi, and approved by AICTE, New Delhi. The college is accredited by NAAC with an 'A' Grade and several programmes carry NBA accreditation.

The college campus is spread across a large green area in Mandya and provides students with a safe, self-contained environment that includes academic blocks, laboratories, library, sports facilities, a dispensary, canteen, cooperative society, and well-maintained residential hostels for both boys and girls.

2. Hostel Overview

PESCE provides on-campus residential accommodation for students through two separate hostels — one for boys and one for girls. Both hostels are located within the secure college campus, ensuring students have easy access to all academic and co-curricular facilities while living in a safe, disciplined, and supportive environment.

The hostels are managed by wardens and managers who ensure smooth functioning, adherence to rules, and student welfare. Round-the-clock security through CCTV and a disciplined mess system make campus living comfortable and conducive to academic focus.

7. General Rules & Guidelines

All hostel residents — both boys and girls — are expected to follow the general guidelines set by the college to maintain discipline, safety, and a healthy academic atmosphere.

7.1 Conduct & Discipline

- Residents must behave in a respectful and disciplined manner at all times within the hostel premises.
- Ragging of any form is strictly prohibited and will lead to immediate expulsion from the hostel and disciplinary action as per law.
- Residents must not engage in any activity that disturbs the peace and academic environment of fellow students.
- Any damage to hostel property will be treated as a serious offence and the cost will be recovered from the responsible student.
- Students are expected to maintain cleanliness in their rooms, corridors, washrooms, and common areas.

7.2 Attendance & Movements

- All residents must be present in the hostel during designated hours. Late entries must be reported to and approved by the warden.
- Students wishing to go out of campus or stay overnight outside must take prior written permission from the warden.
- Attendance in the hostel mess and participation in hostel activities is encouraged for community bonding.
- Parents or guardians must inform the warden in writing if a student is to be taken out of the hostel.

7.3 Rooms & Personal Property

- Students are responsible for the safety and security of their personal belongings.
- Hostel rooms must be kept clean and tidy. Periodic room inspections may be conducted by the warden or college authorities.

- Electrical appliances such as heaters, irons, or high-wattage devices are not permitted in rooms unless specifically approved.
- Students must not modify or tamper with hostel furniture, fixtures, or electrical fittings.

7.4 Visitors

- Visitors are allowed only in designated visitor areas and during specified visiting hours.
- No visitors are permitted inside student rooms without prior permission from the warden.
- Visitor entry is recorded at the hostel gate; all visitors must produce valid identification.

7.5 Internet & Devices

- Wi-Fi is provided for academic and general use. Misuse of internet services (including accessing restricted content) is strictly prohibited.
- Students are responsible for the content they access or share through the college network.
- Use of electronic devices must not disturb other residents. Loud music or videos during study hours is not allowed.

7.6 Mess & Dining

- The mess operates on a fixed schedule. Students are expected to take their meals during designated timings.
- Wasting food is discouraged. Students with special dietary requirements may inform the warden or mess manager.
- Outsiders are not permitted to dine in the hostel mess without proper authorisation.
- Students must maintain hygiene and decorum in the dining area at all times.

8. Safety & Security

The safety and security of all hostel residents is of the highest priority at PESCE. The following measures are in place:

- 24x7 CCTV surveillance across hostel premises, corridors, and entry/exit points.
- Security personnel stationed at hostel gates round the clock.
- The entire PESCE campus is a secure and gated environment — access is controlled at the main gates.
- Free medical facility is available on campus to address health emergencies of resident students.
- Emergency contact numbers of the warden and hostel manager are shared with all residents at the time of admission.
- Regular fire safety drills and awareness programmes are conducted for hostel residents.
- Students are encouraged to report any suspicious activity or safety concern to the warden immediately.

9. Hostel Admission & Fee Payment

9.1 Admission Process

- Hostel accommodation is offered to students admitted to PESCE on a first-come, first-served basis subject to availability.
- Students must fill out the hostel application form and submit it along with required documents to the hostel office.
- Allocation of rooms is done by the warden based on availability and year of study.
- Students must submit a medical fitness certificate at the time of hostel admission.
- Local guardians' details must be provided at the time of joining the hostel.

9.2 Fee Payment

Boys Hostel Fee Structure: <https://pesce.ac.in/pdf/Hostel.pdf>

Girls Hostel Fee Structure: <https://pesce.ac.in/img/facility/Women-hostel-fees-2024-25.pdf>

Fees are to be paid as per the schedule announced by the college. Non-payment of hostel fees may lead to cancellation of accommodation. Students are advised to retain fee receipts for their records.
