

P. E. S. COLLEGE OF ENGINEERING, MANDYA

Affiliated to VTU, Belagavi | Autonomous – UGC | NAAC 'A' Grade | NBA Accredited

K V Shankaragowda Rd, PES College Campus, Mandya, Karnataka – 571 401

TRAINING & PLACEMENT CENTRE

Handbook – Academic Year 2025–2026

Placement Officer: Deepthi K P | placement@pesce.ac.in | +91 94482 82589

1. Overview

The Training and Placement Centre (T&P Centre) at P.E.S. College of Engineering, Mandya serves as the bridge between the academic world and the professional arena. Established with the goal of equipping students with the skills and opportunities necessary to excel in their careers, the centre has consistently delivered outstanding placement results across all engineering and management programmes.

The centre works closely with leading national and multinational companies to facilitate campus recruitments, internships, and industry interactions. With a dedicated team of placement officers, training coordinators, and student volunteers, the T&P Centre provides comprehensive support to students at every stage of their career journey — from skill development in the first year to final placements in the fourth year. Over the years, PESCE has placed more than 1,000 students in top organisations across IT, core engineering, finance, consulting, and product-based companies.

1.1 At a Glance

Centre Name: Training & Placement Centre (T&P Centre)

Institution: P.E.S. College of Engineering, Mandya – Karnataka 571 401

Placement Officer: Deepthi K P

Vice Principal: Dr. Vinay S (Overall In-charge)

Asst. Placement Officer: Madhusudhan M S

Asst. Training Officer: Dr. Raghavendra S

Student Counsellor: Dr. Bindiya J (Psychiatrist, MIMS)

Phone: 08232 – 220043-281

Mobile: +91 94482 82589

Email: placement@pesce.ac.in | training@pesce.ac.in

Total Placements: 1,000+ (cumulative)

Placement Page: <https://pesce.ac.in/placement.php>

2. Vision & Mission

2.1 Vision

Imparting excellent life skills to enhance competency in students and thus making them globally acceptable.

2.2 Mission

Imbibing necessary and essential skills, building confidence to win competitions, guiding students through their career goals, creating a sea of opportunities, and transforming education into a sparkling profession — thus contributing a young brigade to Growing India.

2.3 Core Objectives

- Provide structured training programmes that enhance employability skills of students.
- Connect students with top recruiters across IT, core, and management sectors.
- Offer personalised career counselling and guidance for higher studies.
- Organise industry interactions, seminars, and workshops to bridge the academia-industry gap.
- Build a strong network of recruiters and maintain long-term industry partnerships.
- Develop students into well-rounded professionals with technical expertise and soft skills.

3. Infrastructure & Amenities

The Training and Placement Centre at PESCE is equipped with state-of-the-art facilities to support campus recruitment drives, training sessions, and student development activities.

Auditorium: Air-conditioned, 400-seater with full audio-visual facility — used for pre-placement talks, company presentations, and orientation programmes.

Training Centre: Dedicated space for aptitude, communication, and technical training sessions for students across all years.

Board Room: Conference-grade room for meetings with company representatives and senior recruiters.

Interview Rooms: Multiple dedicated rooms for HR and technical interviews during campus recruitment drives.

Library: Placement-specific reference collection covering aptitude, reasoning, communication, and interview preparation.

Dining Hall: Dining facility for visiting recruiters, placement staff, and students during extended recruitment drives.

4. Training Programmes

The T&P Centre conducts a comprehensive, year-wise structured training programme that prepares students progressively from their first year through to final placement. Training is delivered by experienced faculty, industry professionals, and specialised training agencies.

4.1 General Training

(a) Soft Skills

- Interpersonal communication and workplace etiquette.
- Emotional intelligence and self-awareness.
- Time management and goal setting.
- Professional behaviour and corporate culture orientation.

(b) Personality Development

- Confidence building and public speaking.
- Leadership and decision-making skills.
- Positive attitude and professional mindset.
- Personal grooming and presentation skills.

(c) Communication Skills

- English language proficiency and verbal communication.
- Written communication — emails, reports, and documentation.
- Active listening and comprehension skills.
- Business communication for corporate environments.

(d) Aptitude Training

- Quantitative aptitude — numerical ability, data interpretation, and arithmetic.
- Logical reasoning — verbal, non-verbal, and analytical reasoning.
- Verbal ability — reading comprehension, vocabulary, and grammar.
- Mock tests and timed practice sessions using company-specific question patterns.

(e) Interview & GD Skills

- Resume and LinkedIn profile building workshops.
- Mock HR and technical interview sessions with faculty and alumni.
- Group discussion techniques, topic analysis, and confident participation.
- Body language, eye contact, and professional presentation.

(f) Getting Self Motivated

- Motivational sessions by industry leaders and successful alumni.
- Goal-setting workshops — short-term and long-term career planning.
- Stress management and handling rejection effectively.
- Entrepreneurship awareness and start-up culture sessions.

4.2 Pre-Placement Interactions with Industry

The T&P Centre regularly organises pre-placement interactions where companies visit the campus to conduct orientation talks, technical workshops, and internship briefings.

- Company-specific orientation and pre-placement talks (PPTs).
- Industry expert lectures and technical seminars.
- Internship drives and summer training programmes.
- Live project collaborations with industry partners.
- Industry visits and plant tours for experiential learning.

4.3 Placement Drives

Campus recruitment drives are conducted throughout the final year and in some cases, pre-final year, for students across all programmes.

- On-campus placement drives with aptitude tests, technical rounds, and HR interviews.
- Off-campus and pooled placement drives with partner institutions.
- Pool campus recruitments with multiple companies simultaneously.
- Online recruitment drives and virtual hiring sessions.

4.4 Guidance for Continuing Education

For students aspiring to pursue higher education, the T&P Centre provides dedicated guidance sessions.

- GATE examination preparation guidance and resource sharing.
- GRE, TOEFL, and IELTS orientation for students pursuing MS/MBA abroad.
- CAT and MBA entrance exam preparation sessions.
- Information on top universities, scholarship programmes, and research opportunities.
- Sessions with alumni pursuing higher education at IITs, NITs, and foreign universities.

5. Placement Team

The Training and Placement Centre is managed by a dedicated team comprising the Placement Officer, Assistant Placement Officer, Training Officer, Student Counsellor, and support staff.

5.1 Core Placement Team

Deepthi K P — Placement Officer

Designation: Placement Officer, Training & Placement Centre

Email: placement@pesce.ac.in

Phone: 08232 – 220043-281

Mobile: +91 94482 82589

Responsibilities: Overall management of campus placements, coordination with companies, recruiter relationship management, placement statistics and reporting.

Dr. Vinay S — Vice Principal & Overall In-charge

Designation: Vice Principal & Training and Placement Officer (Overall In-charge)

Department: Computer Science & Engineering

Mobile: +91 94482 82589

Email: placement@pesce.ac.in

Responsibilities: Strategic oversight of T&P activities, industry MoU management, policy decisions, and institutional placement vision.

Madhusudhan M S — Assistant Placement Officer

Designation: Assistant Placement Officer, Training & Placement Centre

Mobile: +91 8970174797

Email: placement@pesce.ac.in

Responsibilities: Assisting in campus placement coordination, recruiter communication, student placement data management, and on-campus drive logistics.

Dr. Raghavendra S — Assistant Training Officer

Designation: Assistant Training Officer, Training & Placement Centre

Department: Mechanical Engineering

Mobile: +91 9741936827

Email: training@pesce.ac.in

Responsibilities: Planning and execution of training programmes, aptitude sessions, soft skills training, mock interviews, and GD workshops.

Dr. Bindiya J — Student Counsellor

Designation: Psychiatrist, MIMS – Student Counsellor, PESCE

Role: Mental health support and counselling for students during placement stress, career anxiety, and personal challenges.

Yogesh M R — Secretary

Designation: Secretary, Training & Placement Centre

Role: Administrative support, documentation, scheduling, and coordination of placement-related correspondence.

5.2 Support Staff

Yashwanth Gowda M V: Placement Coordinator

Prasanna: Helper

Nikhil Gowda H R: Mechanic

Ranjith L S: Mechanic

Rakishth C R: Electrician

6. Student Placement Coordinators

Student Placement Coordinators are selected representatives from each department and year who act as the interface between the T&P Centre and the student community. They assist in communicating placement drives, coordinating student participation, and maintaining placement records within their departments.

7. Recruiting Companies & Placement Statistics

7.1 Key Recruiting Companies

PESCE has established strong relationships with a diverse range of companies spanning IT services, product development, core engineering, consulting, finance, and e-commerce. Every academic year, 50+ companies visit the campus for recruitment drives. A full list of companies is available at: <https://pesce.ac.in/img/pdf/cv26.pdf>

Tata Consultancy Services (TCS): IT Services & Consulting

Accenture: IT Consulting & Digital Services

Infosys: IT Services

Wipro: IT Services

Amazon: E-Commerce / Cloud (AWS)

Cisco Systems: Networking & Technology Products

Flipkart: E-Commerce / Product Engineering

Amadeus: Travel Technology

Tech Mahindra: IT Services & BPO

Morgan Stanley: Financial Services / Technology

Byju's: Education Technology (EdTech)

Capgemini: IT Consulting & Services

Cognizant: IT Services

HCL Technologies: IT Services

L&T Technology Services: Engineering Services

Mphasis: IT Solutions & BPO

Bosch: Core Engineering / Automotive

Siemens: Core Engineering / Automation

ABB: Power & Automation Technology

ISRO / DRDO Affiliated Firms: Defence & Space Technology

30+ more companies: IT / Core / Management / Finance / Startups

7.2 Placement Statistics

Total Students Placed (Cumulative): 1,000+

Total Recruiting Companies: 50+ per year

Sectors Covered: IT, Core Engineering, Finance, Consulting, EdTech, Product, Startups

Programme Coverage: B.E. (all branches), M.Tech, MCA, MBA

Detailed Statistics: <https://pesce.ac.in/placement.php> (refer ug526, pg526, ps526, ip25, ip26 charts)

8. Career Development Activities

The T&P Centre at PESCE goes beyond placement coordination. It actively nurtures students through a wide range of career development programmes spread across all four years.

8.1 Year-wise Career Roadmap

1st Year: Orientation to T&P Centre; career path introduction; basic soft skills; LinkedIn profile creation; communication workshops.

2nd Year: Aptitude training (Quantitative, Logical, Verbal); personality development; coding and technical skills; industry awareness seminars.

3rd Year: Advanced aptitude and mock tests; GD and interview practice; internship drive participation; company-specific preparation; domain skill workshops.

4th Year: Final placement drives; HR and technical interview preparation; resume review sessions; alumni interaction; guidance for higher studies.

8.2 Special Initiatives

- **STUDENTPRENEUR:** Entrepreneurship development programme in collaboration with IIC — mentoring students to explore start-up ventures and incubation opportunities.
- **UGCET Seat Selection Counselling:** Annual session guiding aspiring students in seat selection, conducted in association with academic departments.
- **Alumni Interaction Sessions:** Regular sessions where successful alumni share industry experience, career advice, and placement tips with current students.
- **Convocation Ceremony (Career Orientation):** Organised in collaboration with Employability.link, orienting graduating students towards career readiness.
- **Civil Service Examination Guidance:** Sessions on UPSC, KAS, and other competitive examination preparation strategies.
- **FDP on Microsoft Azure AI Engineer Associate:** Faculty Development Programme keeping placement-supporting faculty updated on industry-relevant technologies.
- **MongoDB Orientation Programme:** Online orientation conducted in collaboration with MongoDB, introducing students to database technologies and career opportunities.

8.3 Industry Connect Initiatives

- **Industry-Institute Interaction Cell (IIIC):** Active collaboration with 50+ companies for internships, live projects, and guest lectures.
- **MoU with Companies:** Formal agreements with MongoDB, Intel, Garuda Aerospace, and Software Development Institute (Indian Air Force).
- **AICTE IDEA Lab:** Innovation lab supporting student product development and start-up culture in partnership with industry.
- **Centre of Excellence in Drone Technology:** Established with Garuda Aerospace Pvt. Ltd. for skill development in emerging technology.
- **Skill Development Programmes:** Regular sessions on Python, Full Stack Development, AI/ML, VLSI Design, and Electric Vehicle Technology.
