Fit and Fine in Body and Mind

1. About P.E.S. College of Engineering, Mandya

P.E.S. College of Engineering (PESCE), Mandya was established in 1962 by People's Education Society (PES), Mandya, under the visionary leadership of Late Sri K V Shankara Gowda, Founder and Former Education Minister. The college is currently run under the chairmanship of Sri K S Vijay Anand, Chairman, People's Education Trust®, Mandya.

PESCE is affiliated to Visvesvaraya Technological University (VTU), Belagavi, approved by AICTE, and became an Autonomous institution in 2008. It is accredited by NAAC with an 'A' Grade and holds NBA accreditation for several programmes. Spread across a 62-acre green campus in Mandya, Karnataka, PESCE is one of the premier engineering institutions in the state, known for its academic excellence, state-of-the-art infrastructure, and national-standard sports facilities.

2. Department of Physical Education & Sports — Overview

The Department of Physical Education and Sports was established in the year 1962, concurrent with the founding of PESCE itself. The department is equipped with outstanding infrastructure and trains students in a wide range of sports and games, consistently producing achievers at inter-university, VTU inter-collegiate, VTU Mysore Zone, VTU inter-zone, and other national and state-level competitions.

The department organises inter-department tournaments for students and sports activities for teaching and non-teaching staff, as well as extramural sports competitions, recreational activities, and national and regional festivals throughout the year. These initiatives enable students and staff to have fun, learn new sports, enhance social interaction, and test their physical capability. The main focus of the department is to win laurels for the institution and enter the hall of fame through student achievements.

3. Vision, Mission & Philosophy

3.1 Vision

“Fit and Fine in Body and Mind — Inculcate Physical Activity and Sports as a Way of Life.”

3.2 Mission

- Provide the most advanced, sophisticated, state-of-the-art sports infrastructure and facilities; motivate students and faculty to adopt physical activity and sports culture to become fit and fine.
- Provide Recreational, Gregarious, Attractive, Practical and Innovative knowledge of uncompromising quality that meets the health and fitness needs of the entire PESCE family.
- Indoctrinate sports consciousness, encourage skill development, cultivate a spirit of sportsmanship, and promote the values of integrity among students.
- Create greater opportunities for students to participate in various levels of sports competitions and place PESCE among the best colleges in sporting activity among engineering colleges affiliated to VTU, Belagavi, and across India.

3.3 Philosophy

The Physical Education and Sports wing of PESCE holds a passion for the art and science of movement and skill development through youth participation in sports and fitness programmes. It believes in a

quality and enjoyable learning environment that positively encourages and develops the body, mind, and spirit.

The department firmly relies on the three pillars of Dedication, Discipline, and Determination (3D's) towards its vision, mission, and objectives. It conducts various sports and recreational activities throughout the entire year, making the Department of Physical Education and Sports one of the most effective departments of PESCE, Mandya.

5. Sports Infrastructure & Facilities

PESCE has invested significantly in building world-class sports infrastructure over the decades. The college has some of the most impressive, sophisticated, and modern sports facilities among engineering colleges in Karnataka, supporting both competitive and recreational participation.

5.1 Indoor Stadium (Built 1998 — Cost: Rs. 1.0 Crore)

- Four Badminton Wooden Courts of standard specifications.
- Multi Gymnasium for Boys and Girls (separate sections, capacity: 45 members at a time).
- Chess and Carom facilities.
- Weight Lifting equipment and training area.

5.2 Basketball Court (Built 1998 — Cost: Rs. 10 Lakhs)

A cement Basketball Court constructed in 1998, used for regular inter-department and inter-collegiate competitions.

5.3 Swimming Pool (Built 1999 — Cost: Rs. 71.5 Lakhs)

- Eight-lane swimming pool with a length of 25 metres.
- Complete with modern filter mechanism for water purification.
- Chlorine-oxygen control system for maintaining safe water quality.
- Used for training under the PET Swimming Academy; has hosted state-level short-course swimming competitions.

5.4 PESCE Cricket Stadium (Built 2002 — Cost: Rs. 1 Crore 60 Lakhs)

A full-sized turf cricket ground that has hosted Ranji Trophy matches (Karnataka vs Bengal, 2003) and South Zone Inter-University Cricket Tournaments. Home to the PET Cricket Academy.

5.5 Tennis Courts (Built 2003 — Cost: Rs. 25 Lakhs)

- Three synthetic tennis courts of International Standard.
- One clay tennis court.
- Hosted ITF Women's Tennis Tournament (December 2010, June 2012) and state-level junior ranking and all-India talent series tournaments.
- Home to the PET Tennis Association.

5.6 Table Tennis Indoor Stadium (2002) & Multi-Purpose Stadium (Renovated 2004 — Cost: Rs. 25 Lakhs)

- Dedicated Table Tennis Indoor Stadium established in 2002.
- Multi-Purpose Stadium renovated in 2004, used for Athletics (200-metre track), Football, and Hockey.

5.7 Mini Outdoor Stadium (Built 2005)

Constructed for Ball Badminton and Handball. Provides a dedicated outdoor training and competition space for these disciplines.

5.8 Additional Courts & Facilities

- Volleyball Court — dedicated full-size court.
- Kho-Kho Court — dedicated court for this traditional sport.
- Kabaddi Court — dedicated court for Kabaddi.
- Handball Court — part of the Mini Outdoor Stadium complex.
- Playground areas within the Boys and Girls Hostels for recreational use.

5.9 Academies & Coaching

PESCE has not confined itself to providing physical infrastructure alone. It has attracted qualified coaches from SAI (Sports Authority of India), SAK (Sports Authority of Karnataka), and the private sector to provide professional coaching across disciplines:

- PET Tennis Association — Professional coaching in tennis.
- PET Cricket Academy — Structured coaching in cricket.
- PET Swimming Academy — Training in swimming with certified coaches.
- PET Badminton Academy — Coaching in both Shuttle Badminton and Ball Badminton.
- Gymnasium Coaching — Professional training for boys and girls by certified gym instructors.
- Weight Lifting, Table Tennis, and other disciplines — supported by specialised coaches.

6. Best Practices

- Conducting intramural tournaments in various sports and physical fitness activities involving mass participation of students and staff.
- Conducting selection trials to raise college teams in various sports disciplines for inter-collegiate tournaments.
- Offering scholarships, monetary awards, track-suits, and uniforms to outstanding sportspersons and medalists every year.
- Organising VTU Inter-Collegiate, VTU Inter-Zone, Inter-University, State Level, National Level, and other tournaments whenever opportunity arises.
- Conducting sports awareness programmes on sports as a means for health, fitness, national integration, and communal harmony.
- Promoting traditional and rural sports to encourage cultural integrity among students.

7. Major Tournaments Hosted at PESCE (1999–2012)

The PET Sports Complex has hosted a number of prestigious national and state-level events since 1999:
