Academic Year 2025–26

1. About the Institution

P.E.S. College of Engineering (PESCE), Mandya, was established in 1962 by People's Education Society (PES), Mandya. It is one of the premier engineering institutions in Karnataka, affiliated to Visvesvaraya Technological University (VTU), Belagavi, and approved by AICTE, New Delhi. The college is accredited by NAAC and several of its programmes carry NBA accreditation.

2. Department Overview

The Department of Civil Engineering was started in 1962 as one of the founding branches of PESCE with an initial intake of 40 students. Today it offers an undergraduate programme (B.E.) with an intake of 120 students and a postgraduate programme (M.Tech. in CAD Structures) with an intake of 18, launched in 2006. The department is also recognised as a Research Centre by VTU, Belagavi.

The department is equipped with modern laboratories for Hydraulics, Structures, Soil Mechanics, Highway Engineering, Environmental Engineering, and Surveying, along with computing facilities and an independent departmental library. Faculty members provide regular counselling, tutorial and remedial classes, and personality development programmes. The department also provides testing and consultancy services to government departments and the construction industry in and around Mandya.

Programme Details

Programme	Type	Duration	Intake
B.E. Civil Engineering	UG	4 Years	120
M.Tech. CAD Structures	PG	2 Years	18
Ph.D. (Full-time & Part-time)	Doctoral	3–5 Years	Open

3. Vision & Mission

Vision

"To attain excellence in imparting quality civil engineering education to meet the societal needs."

Mission

- Impart civil engineering and managerial skills with state-of-the-art infrastructure, competent and committed faculty using an outcome-based educational curriculum.
- Promote research, project management and consultancy.
- Inculcate professional ethics, leadership qualities and entrepreneurial skills to meet societal needs.

4. Programme Educational Objectives (PEOs)

Graduates of the programme will be able to:

- **PEO 1:** Apply technical competence in the field of Civil Engineering with a strong background in basic science and mathematics.
- **PEO 2:** Analyse and interpret data to design or evaluate civil engineering systems to satisfy societal needs using modern tools, including through higher education.
- **PEO 3:** Pursue advanced study, research, and professional practice in civil engineering to serve industry and society effectively.

5. Programme Outcomes (POs)

Engineering graduates will be able to:

- **PO 1 – Engineering Knowledge:** Apply knowledge of mathematics, natural science, computing, engineering fundamentals, and a civil engineering specialisation to solve complex engineering problems.
- **PO 2 – Problem Analysis:** Identify, formulate, and analyse complex civil engineering problems reaching substantiated conclusions with consideration for sustainable development.
- **PO 3 – Design/Development of Solutions:** Design creative solutions for complex problems and develop systems or processes meeting identified needs with regard to public health, safety, net-zero carbon, and the environment.
- **PO 4 – Investigations of Complex Problems:** Conduct investigations using research-based knowledge, design of experiments, modelling, and data analysis to provide valid conclusions.
- **PO 5 – Engineering Tool Usage:** Select and apply appropriate techniques, resources, and modern engineering and IT tools, recognising their limitations, to solve complex problems.
- **PO 6 – The Engineer and the World:** Evaluate societal and environmental aspects of complex engineering problems for sustainability with respect to economy, health, safety, legal framework, and environment.
- **PO 7 – Ethics:** Apply ethical principles; commit to professional ethics, human values, and diversity; adhere to national and international laws.
- **PO 8 – Individual and Collaborative Teamwork:** Function effectively as an individual and as a member or leader in diverse, multi-disciplinary teams.
- **PO 9 – Communication:** Communicate effectively, write reports and design documentation, and make effective presentations within the engineering community and society at large.
- **PO 10 – Project Management and Finance:** Apply engineering management principles and economic decision-making to manage projects in multidisciplinary environments.
- **PO 11 – Life-Long Learning:** Recognise the need for independent and lifelong learning, adaptability to emerging technologies, and critical thinking in the context of technological change.

6. Programme Specific Outcomes (PSOs)

- **PSO 1:** Apply knowledge of basic science to analyse and solve problems in the core areas of Civil Engineering: Structural, Geotechnical, Transportation, Environmental, Hydraulics, and Water Resources Engineering.
- **PSO 2:** Analyse, plan, design, carry out quality assessment, and cost-estimate Civil Engineering structures with professional ethics.
- **PSO 3:** Work in a consulting organisation or as an entrepreneur to investigate and supervise Civil Engineering structures using modern tools and technology to provide sustainable solutions meeting societal needs.

7. Teaching Faculty Profiles

Dr. D.S. Sandeep Kumar

Designation: Associate Professor & Head of Department

Email: sandeepmandya@gmail.com

Educational Qualifications:

- Ph.D. – Concrete Technology, Bangalore University / University of Mysore, 2023
- M.Tech. – CAD Structures, Malnad College of Engineering, Hassan (VTU)
- B.E. – Civil Engineering, PESCE Mandya (VTU)

Research Areas: Structural Engineering, Concrete Technology (Supplementary Cementitious Materials)

Publications / Patents: 14+ international journal papers on bagasse ash-blended concrete, seismic analysis, and structural behaviour

R.K. Kumara Swamy

Designation: Associate Professor

Email: Poornarama68@gmail.com

Educational Qualifications:

- Ph.D. (Pursuing) – UVCE, Department of Civil Engineering, Bangalore University
- M.Tech. – N.I.E Mysore, Mysore University

Research Areas: Water Resource Engineering, RS & GIS Applications

Publications / Patents: International journal paper on morphometric and hypsometric analysis using RS & GIS (2021)

Dr. H.C. Chowde Gowda

Designation: Associate Professor

Email: hcgowda26@gmail.com

Educational Qualifications:

- Ph.D. – Air Pollution, PESCE (VTU) Mandya, 2021
- M.Tech. – Environmental Engineering, PESCE Mandya (VTU)

Research Areas: Environmental Engineering, Urban Air Pollution Dispersion, Indoor Air Quality

Publications / Patents: 4+ international journal papers on wind tunnel simulation and urban traffic air pollution; Research Guide (VTU)

Dr. S. Naveen Kumar

Designation: Associate Professor

Email: naveenkumar.dec02@gmail.com

Educational Qualifications:

- Ph.D. – VTU (PESCE Mandya), 2023
- M.Tech. – PESCE Mandya (VTU)

Research Areas: Structural Engineering, Value-Added Concrete Materials

Publications / Patents: 13+ international journal papers on seismic analysis, steel mesh reinforced concrete, and base isolation; Research Guide (VTU)

Dr. Shivaraj G. Nayak

Designation: Assistant Professor

Email: shivaraj.msrit@gmail.com

Educational Qualifications:

- Ph.D. – PESCE (VTU), 2023
- M.Tech. – MSRIT Bangalore (VTU), 2011
- B.E. – MCE Hassan (VTU), 2008

Research Areas: Structural Engineering – Progressive Collapse Analysis, Geopolymer Concrete, RC Slabs

Publications / Patents: 6+ international journal papers; 2 patents published; KSCST funded project; Book: Construction Project Management (RK Publications, 2023)

Pradeep S

Designation: Assistant Professor

Email: pradeep@pesce.ac.in

Educational Qualifications:

- M.Tech. – SJCE Mysuru, 2013

- B.E. – NIE Mysuru, 2010

Research Areas: Civil Engineering

Publications / Patents: —

Akshay V

Designation: Assistant Professor

Email: akshay@pesce.ac.in

Educational Qualifications:

- M.Tech. – NITK Surathkal, 2011
- B.E. – SJCE Mysore, 2008

Research Areas: Civil Engineering

Publications / Patents: —

Dr. P.S. Lakshmi

Designation: Associate Professor

Email: lakshmips114@gmail.com

Educational Qualifications:

- Ph.D. – PESCE (VTU), 2023
- M.Tech. – PESCE Mandya (VTU), 2010
- B.E. – PESCE Mandya (VTU), 2008

Research Areas: Structural Engineering, Concrete Technology, Masonry Structures; ORCID: 0000-0001-8471-6935

Publications / Patents: 12+ international journal papers; 6 patents published (masonry, geopolymer, eco-concrete); Research Guide (VTU)

Dr. Poorna Prajna S

Designation: Associate Professor

Email: aviprajna26@gmail.com

Educational Qualifications:

- Ph.D. – GCE Ramanagaram (VTU), 2020
- M.Tech. – BMSCE Bengaluru (VTU), 2011

Research Areas: Highway Engineering – Bituminous Mixes, Modified Bitumen, Pavement Materials

Publications / Patents: 12+ national/international papers in Elsevier and SCOPUS-indexed journals; Research Guide (VTU); NPTEL Elite + Silver awardee

H.R. Shyam Prasad

Designation: Assistant Professor

Email: hrshyamprasad@gmail.com

Educational Qualifications:

- M.Tech. – PESCE Mandya (VTU), 2011
- B.E. – PESCE Mandya (VTU), 2009

Research Areas: Structural Engineering – Seismic Behaviour of Composite and RC Structures

Publications / Patents: 6+ international journal papers on seismic behaviour, composite columns, and diagrid structures

Divyashree M

Designation: Assistant Professor

Email: ddivs.m@gmail.com

Educational Qualifications:

- Ph.D. (Pursuing) – PESCE (VTU)
- M.Tech. – PESCE Mandya (VTU), 2014

Research Areas: Structural Engineering – Seismic Strengthening, Self-Compacting Concrete, Fibre-Reinforced Concrete

Publications / Patents: 11+ international journal papers; Co-author of 'Environmental Studies' (Khanna Publishing House, 2022)

Madhusudhan M.S.

Designation: Assistant Professor

Email: madhusudhanms@pesce.ac.in

Educational Qualifications:

- Ph.D. (Pursuing) – VTU PG Centre Belagavi (VTU)
- M.Tech. – VTU PG Centre Belagavi, 2016

Research Areas: Water Resources, Watershed Management, Climate Change Studies, GIS; ORCID: 0000-0001-8135-9346; Scopus ID: 58037519100

Publications / Patents: 18+ international journal papers (Springer, Elsevier); 4 KSCST funded projects; 2 patents published

Ashwini B

Designation: Assistant Professor

Email: ashwinib495@gmail.com

Educational Qualifications:

- Ph.D. (Pursuing) – UVCE, Bangalore University
- M.Tech. – NIE Mysuru (VTU), 2017
- B.E. – PESCE Mandya (VTU), 2015

Research Areas: Hydraulics, Hydrology, Remote Sensing & GIS, Land Use / Land Cover Analysis

Publications / Patents: 6+ international journal papers on hydrology and land cover change detection

Chethana C.P.

Designation: Assistant Professor

Educational Qualifications:

- M.Tech. – Civil Engineering

Research Areas: Civil Engineering

Publications / Patents: —

Kavya S.B.

Designation: Assistant Professor

Educational Qualifications:

- M.Tech. – Civil Engineering

Research Areas: Civil Engineering (Ph.D. registered under Dr. Lakshmi P.S., VTU)

Publications / Patents: —

Santhosh Kumar C.V.

Designation: Assistant Professor

Educational Qualifications:

- M.Tech. – Civil Engineering

Research Areas: Civil Engineering (Ph.D. registered, VTU)

Publications / Patents: —

Divya P

Designation: Assistant Professor

Educational Qualifications:

- M.Tech. – Civil Engineering

Research Areas: Structural Engineering

Publications / Patents: —

Kumuda V

Designation: Assistant Professor

Educational Qualifications:

- M.Tech. – Civil Engineering

Research Areas: Civil Engineering (Ph.D. registered under Dr. Poorna Prajna S., VTU)

Publications / Patents: —

Asharani G.S.

Designation: Assistant Professor

Educational Qualifications:

- M.Tech. – Civil Engineering

Research Areas: Civil Engineering (Ph.D. – Course Work completed, under Dr. Chowde Gowda H.C., VTU)

Publications / Patents: —

Divyadarshini M

Designation: Assistant Professor

Educational Qualifications:

- M.Tech. – Civil Engineering

Research Areas: Civil Engineering

Publications / Patents: —

Kiran Juneja J

Designation: Assistant Professor

Educational Qualifications:

- M.Tech. – Civil Engineering

Research Areas: Civil Engineering (Ph.D. registered under Dr. Poorna Prajna S., VTU)

Publications / Patents: —

Anusha G.K.

Designation: Assistant Professor
